Objective

Enthusiastic Computer Science student with a strong foundation in full-stack web development, data structures and algorithms, and programming in C++ and JavaScript. Seeking an internship or entry-level role to apply my skills, gain practical experience, and contribute to meaningful projects in a collaborative environment.

Education

Yeshwantrao Chavan College of Engineering (YCCE), Nagpur

2022 - Present

Bachelor of Technology in Computer Science and Engineering (CGPA: 8.23 / 10.00)

Bhartiya Krishi Vidhalaya, Nagpur

2022

Higher Secondary School, Maharashtra State Board (Percentage: 88.33 / 100)

St. Joseph's Convent, Nagpur

2020

Secondary School, Maharashtra State Board (Percentage: 91.2 / 100)

Technical Skills

Languages: C, C++, JavaScript

Frontend: HTML, CSS, Bootstrap, React

Backend: NodeJS, ExpressJS

Database/ Development Tools: MySql, MongoDB, Git & GitHub, Postman

Projects Experience

Wanderlust

- Created a full-stack web application replicating the functionalities of Airbnb, using HTML, CSS, JavaScript, Node.js, Express.js, and MongoDB.
- Implemented secure authentication and authorization for data protection and access control.
- Utilized JavaScript for client-side interactivity and Node.js/Express.js for server-side operations.
- Managed data with MongoDB and conducted API testing with Postman.

Banking Management System

- Developed a Java-based banking application for managing user accounts and secure transactions.
- Implemented features for user registration, authentication, and financial operations.
- Utilized JDBC for database connectivity and MySQL for data management.
- Applied security protocols and OOP principles.
- Collaborated with a team using Git for version control and participated in code reviews.

Leadership And Achievements

- Secretary at ACM Student Chapter, YCCE
 - Organized and managed a 24-hour hackathon twice, overseeing more than 200 participants from across India. Demonstrated leadership, coordination, and event management skills to ensure smooth execution and a memorable experience.
- Curation Team Member at IRU 2.0
 - Curated and managed content for IRU 2.0, an international startup and innovation conclave organized by Yeshwantrao Chavan College of Engineering. Enhanced event experience by collaborating with the team to align content with event goals. Assisted in content development and strategy for showcasing innovative projects and startup pitches.
